

St. Gallen, January 10, 2018

To whom it may concern:

This is to confirm that

B & E International Ltd.
6 Hamasor Street, Industrial Zone, Holon, Israel

has signed a bluesign® audit agreement and is currently in the audit process.

This is to confirm further that bluesign technologies ag has to evaluate the production sites of the company in a detailed manner. The input streams, utilized processes and locally available end-of-pipe technologies are being assessed.

Sincerely yours,
bluesign technologies ag
